II. QUARTERLY FOIA REPORTING

On December 4, 2012, the Office of Information Policy notified OSTP and the public that beginning January 2013 it would be required to provide quarterly reporting of four key FOIA statistics to the Department of Justice that will be posted on FOIA.gov. This more frequent reporting is designed to increase accountability and enhance public awareness of OSTP's efforts in administering the FOIA.

1. Date of Posting.

OSTP's third quarterly report for Quarter 3 of Fiscal Year 2014 (covering the time period from April 1, 2014 through June 30, 2014) was posted in July 2014.

2. Key Statistics Reported.

OSTP reported four key statistics for Quarter 3 of Fiscal Year 2014:

- Seventeen (17) FOIA requests were received during the reporting period;
- Sixteen (16) requests were processed during the reporting period;
- Two (2) requests were pending beyond the statutory time period for response ("backlogged") as of June 30, 2014; and
- Zero (0) requests were pending from Fiscal Year 2013.
