Dear Ms Espinel and The Obama Administration:

ASMP and the Copyright Alliance have informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator.

I am an emerging professional nature photographer interested in protection for my work.

Infringement of my work through copying and manipulative stealth should be completely reimbursement guaranteed by U.S. Laws. This is a great part

of my freedom as an artist in my native land.

I live in Mentor, Ohio.

Thank you for attention.

Yours,

Mitchell E. Bennett
