"The Copyright Alliance has informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator."

My name is Duane Flock. I am a musical artist and writer that strongly believes that we need to keep our copyright system in tact. We as artists need protection of our works and are intitled to the benefits we recieve of our labors. Please do not allow free recordings or copying of our material. Put stronger enforcement into the current copyright laws.

Thank you.
