

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D. C. 20503

THE DIRECTOR

August 13, 2014

The Honorable John A. Boehner  
Speaker of the  
House of Representatives  
Washington, DC 20515

Dear Mr. Speaker:

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The report must contain the Congressional Budget Office estimate of the legislation, the OMB estimate of the legislation, and an explanation of any differences between the two estimates.

Enclosed is the report for the Emergency Supplemental Appropriations Resolution, 2014 (Public Law 113-145). This Act was signed into law by the President on August 4, 2014.

Sincerely,

Director

Enclosure

Identical Letter Sent to The Honorable Joseph R. Biden, Jr.

<p style="margin-left: 40px;">There is only a difference in outlay assumptions. CBO made a probabilistic assumption that two-thirds of the appropriation would outlay in 2014 and the remaining one-third would outlay in 2015. OMB assumes the entire appropriated amount will be transferred in full to the Government of Israel, with obligations and outlays posted, before the end of fiscal year 2014.</p>

**Notes:**

<sup>1</sup> The FY 2014 and FY 2015 spending limits for the defense and non-defense categories are equal to the limits included in the *OMB Sequestration Preview Report to the President and Congress for Fiscal Year 2015* (see [http://www.whitehouse.gov/omb/legislative\\_reports/sequestration](http://www.whitehouse.gov/omb/legislative_reports/sequestration)).

<sup>2</sup> The previously enacted defense and non-defense appropriations for FY 2014 are equal to the amounts included in the *OMB Final Sequestration Report to the President and Congress for Fiscal Year 2014* (see [http://www.whitehouse.gov/omb/legislative\\_reports/sequestration](http://www.whitehouse.gov/omb/legislative_reports/sequestration)).

<sup>3</sup> Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements or for Overseas Contingency Operations/Global War on Terrorism. The Emergency Supplemental Appropriations Resolution, 2014 (P.L. 113-145) included funding that was designated by the Congress as an emergency requirement and the President transmitted to the Congress on August 4, 2014 his subsequent designation that amount. This is summarized here but not yet included in the totals displayed above since the caps have not yet been adjusted. The adjustment to the discretionary limits to reflect this spending will be included in the *OMB Sequestration Update Report to the President and Congress for Fiscal Year 2015*.
