

**EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503**

January 12, 2017

Statement from OMB Director Shaun Donovan:

**Budgetary Impact Analysis for Executive Order Entitled
“Designating the World Organisation for Animal Health as a
Public International Organization Entitled to Enjoy Certain
Privileges, Exemptions, and Immunities”**

This executive order designates the World Organisation for Animal Health (OIE) as a public international organization. Implementing this executive order is anticipated to have a de minimis impact on costs and no impact on revenues to the Federal Government. The benefits of the executive order include helping to facilitate the role of the OIE as a key partner in the Global Health Security Agenda, a U.S. launched multilateral effort developed to prevent, detect, and respond to infectious disease threats, many of which are animal in origin, thereby benefitting the health of Americans and the U.S. agricultural sector. Implementing this executive order is anticipated to have a de minimis impact on mandatory and discretionary obligations and outlays, and no impact on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2017. The agency anticipated to be impacted by this executive order is the Department of State.
