

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

December 5, 2016

Statement from OMB Director Shaun Donovan:

**Budgetary Impact Analysis for Executive Order Entitled
“Safeguarding the Nation from the Impacts of Invasive Species”**

This executive order will take certain steps to strengthen the United States’ response to invasive species. Implementing this executive order is anticipated to have a de minimis impact on costs and revenues to the Federal Government. The benefits of the executive order include making the United States more resilient to invasive species. Implementing this executive order is anticipated to have a de minimis impact on mandatory and discretionary obligations and outlays, and no impact on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2017. The agencies anticipated to be impacted by this executive order are the Departments of State, the Treasury, Defense, the Interior, Agriculture, Commerce, Health and Human Services, Transportation, and Homeland Security, the National Aeronautics and Space Administration, the Environmental Protection Agency, and the Executive Office of the President.
