

## Society of Chemical Manufacturers and Affiliates (SOCMA)

- SOCMA is the only U.S. based trade association dedicated to the batch, custom and specialty chemical industry.
- We have represented a diverse membership of small, medium and large chemical companies since 1921, making us the leading authority on this sector.
- SOCMA member companies are located around the world and encompass every segment of the industry.
- In the U.S., SOCMA members manufacture 50,000 products annually that are valued at \$60 billion. They operate more than 2,000 manufacturing sites and employ more than 100,000 workers.
- SOCMA members play an indispensable role in the global chemical industry by producing intermediates, specialty chemicals and ingredients used to develop a wide range of commercial and consumer products.
- SOCMA members manufacture chemicals for a wide variety of industries or customer segments, including: Pharmaceuticals; Specialty Chemicals (industrial, consumer); Biotech; Dyes, Pigments; Adhesives; Cosmetics; Electrochemical; Flavors, Fragrances; Food Additives; Household; Paints, Coatings; and Photographic
- In 2005, SOCMA established ChemStewards®, an environmental, health, safety and security program designed for our unique sector to help facilities optimize performance, save money and enhance their roles as good corporate citizens.
