6	State	Consular Affairs (PPT)	Bureau of Consular Affairs -- U.S Passport Online Renewal Application for Eligible Individuals	1405-0020	The U.S. passport renewal application is used by eligible nationals of the United States who need to renew their current or recently expired U.S. passport, form DS-0082. This Information Collection will allow for online renewal applications for eligible individuals.	Ongoing	Earliest publication for a Final Rule will be in August, 2017.	No	Public comment and feedback added to Travel@state.gov website, customer surveys, social media (Twitter, Facebook), analyses of public access of the site, gathering of metrics from the actual issued passports for customers who used the online service.	The Department anticipates that online renewal passport applications will lower the total burden for average applicant due to easier submission mechanism. Financially the public will save on mailing costs the price of photographs, an approximate 15% or more financial savings. Convenience and time savings includes eliminating the applicant trip to the post office and to procure photographs, a two day savings in processing time for the Department, and the convenience of applying 24 hours per day 7 days per week. The overall the burden reduction to the applicant would be a minimum of 20-25%
7	State	Consular Affairs (PPT)	Bureau of Consular Affairs - Statement Regarding a Lost or Stolen Passport	1405-0014	A passport bearer is required to submit a Statement Regarding a Lost or Stolen Passport, form DS-0064, after a loss or theft has taken place even if the bearer does not apply for a new passport. This Information Collection will make the option of reporting a passport loss or theft more convenient for the public and make processing the reports more efficient through the implementation of an electronic form.	Ongoing	On line pilot was temporarily stopped in August 2015 due to technical malfunctions. Pilot was restarted in October 2015 and will continue to run until technical modifications are implemented, at which point it will be fully rolled out. Project completion date will be set after pilot is running successfully.	Yes	Public comment and feedback added to TSG, customer surveys, social media (Twitter, Facebook), analyses of public access of the site, gathering of metrics from the actual passports reported lost or stolen using the online service.	If 25% of average 122,500 respondents use the online version, at a savings of \$1-2 per form (mailing costs), the savings would be in the range of \$30,625-\$61,000. This is an estimate.
8	State	Consular Affairs (Visa)	Visas: Documentation of Nonimmigrants Under The Immigration And Nationality Act, As Amended.	1400-AD30	Proposed reinstatement of a 1999 regulatory amendment that was invalidated by court order in United Airlines, Inc. v. Brien. Because of the court's ruling, the 1994 version of 22 CFR 41.2(j) is in effect until the Department issues a final rule.	New to this update - Priority.	Proposed rule expected February 2016	No	The Proposed Rule will invite public comment.	None

16	State	Political-Military Affairs (DDTC)	Revision of International Traffic in Arms Regulations (ITAR) §123.22, §126.4, §123.9	1400-AC88	This rule will clarify the regulations pertaining to the export of items subject to the Export Administration Regulations, as well as to update the licensing exemption in ITAR §126.4 for exports made to or on behalf of an agency of the U.S. government. Other minor edits are made for clarity and to remove unnecessary paper submission requirements.	Ongoing	Proposed Rule published 05/22/15. 80 FR 29551. Public Comment period closed 07/06/15. Final Rule projected in mid 2016.	No	The Proposed Rule invited public comment. The Final Rule will not invite public comment.	This Rule is expected to provide enhanced clarity regarding the license requirements for U.S. persons providing defense services abroad and will eliminate the need for authorizations for services that fall within the scope of the new exemption. Estimated burden reduction data is not available because DDTC cannot quantify, based on available license application data, the number of applications submitted that relate to a use-based fact pattern that is the subject of the revised exemption. DDTC will capture the volume of licenses received.
17	State	Political-Military Affairs (DDTC)	Registration and Licensing of U.S. Persons Employed by Foreign Persons, and Other Changes	1400-AD79	This rule will clarify requirements for the licensing and registration of U.S. persons providing defense services while in the employ of foreign persons.	Ongoing	Proposed Rule published 05/26/15. 80 FR 30001. Public Comment period closed 07/27/15. Next rulemaking in mid 2016.	No	The Proposed Rule invited public comment.	This Rule is expected to reduce reporting costs and facilitate cooperation between U.S. Government Agencies and make border operations more effective and efficient while saving government resources. Reporting costs are associated with the completion of form 2023 with a total burden time reduction of 1 hour per form. This proposed change is in compliance with section 6(a) of E.O. 13659, Streamlining the Export/Import Process for America's Businesses.
18	State	Political-Military Affairs (DDTC)	Amendment to the International Traffic In Arms Regulation: U.S. Munitions List Categories VIII and XIX.	1400-AD89	As part of the President's Export Control Reform (ECR) effort, the Department of State proposes to amend the International Traffic in Arms Regulations (ITAR) to revise Categories VIII (aircraft and related articles) and XIX (gas turbine engines and associated equipment) of the U.S. Munitions List (USML) to describe more precisely the articles warranting control on the USML. The revisions contained in this rule are part of the Department of State's retrospective plan under E.O. 13563.	New to this update - Priority	Proposed Rule expected 03/01/16.	No	The Proposed Rule will invite public comment.	None
19	State	Legal Affairs	Electronic And Information Technology	1400-AD87	This proposed rule implements Section 508 of the Rehabilitation Act (Section 508) for the Department of State.	New to this update	NPRM published in the Federal Register 01/04/16. Final Rule expected to be completed in Spring, 2016.	No.	The Proposed Rule invited public comments.	Section 508 requires Federal agencies to ensure accessibility by individuals with disabilities who are Federal employees, applicants for employment, or members of the public when developing, procuring, maintaining, or using electronic and information technology. This is an action that will improve government services to the American people.
