Subject: NAVSUP Comments RE: "(b)(14) Overseas Exemption NPR"
Signed By: lynn.goldberg-gursky@navy.mil

NAVSUP submits the following comments regarding "(b)(14) Overseas Exemption NPR":

The proposed legislation could pose a substantial burden for sole source aircraft maintenance contracts awarded in the FISC Yokosuka region. CAS probably won't be applicable to the majority of the other contracts they award.

Other CAS exemptions apply for other contracting performed in the European theatre. Impact would be minimal.
