

**Entering COMET Data: Making the Most of Your Progress Report  
Drug-Free Communities National Evaluation Call Series**

ICF International – Your DFC National Evaluation Team

Wednesday, January 7, 2015

2:00pm – 3:30pm EST

Please join us as the DFC National Evaluation team will be discussing how your coalition can effectively enter data and how to get the most out of your progress reports. Entering data correctly not only benefits the National Evaluation, it also helps YOUR coalition, and the DFC National Evaluation team is going to tell you how!

During this call, the National Evaluation team will discuss:

- Types of data – hard facts vs. opinions, core measures
- How to write an effective Elevator Speech and effectively sharing your coalition’s story
- Differences between building capacity AND implementation strategies
- Entering implementation data and policy/law changes in particular
- Your questions regarding the progress report system and bi-annual reports
